Please note: None of Bank of America, Merrill or any affiliates, bears any responsibility or liability with respect to third-party research made available. Clients should understand that they assume full responsibility for any trading decisions they make based upon third-party ratings or reports.

Prices, quotes, market values and volumes are based on NASDAQ Basic or consolidated market quote, unless otherwise indicated. Acquisition Costs are not adjusted for stock splits, etc.

Positions are net and cost basis excludes fractional shares. Sector Classifications based on Global Industry Classification Standard ("GICS").

Third-party stock research may be available; select this link to access.

Fixed annuities are classified as fixed income and variable annuities are classified as equities. Life insurance products are classified as other.

The Gain/Loss percentage is provided to help you monitor the performance of specific holdings; because the figure is affected by a particular holding period and transaction history, it should not be used to compare mutual fund performance. Please refer to the fund's prospectus for standardized performance information on each mutual fund in the account. Past performance is no guarantee of future returns.

When there is a Short Position in a classification bucket for a Managed Account or Pooled Investment Product, the market value of this position will show in the Managed Assets Short Allocations balance. This negative balance is not included as an Analyzable Asset.
